

OPPORTUNITY FUND PROJECT

# HIGHLAND PARK PLAY AREA COMMUNITY MEETING

Seattle Parks and Recreation invites the community to review the schematic design for the Highland Park Playground Opportunity Fund project and provide comments. This new design is based on input received from the community at the first meeting in October 2014. The goal of this project is to create a cohesive space that improves the usability and safety for the play area. The project improves access into the park and play structures.

Funding for this park improvement is provided by the 2008 Parks and Green Spaces Levy Opportunity Fund.

The design team and project planner encourage the community to attend and provide input on the schematic design. A third and final meeting will be held in the spring. Highland Park is located at 1100 SW Cloverdale St, 98106.

*Seattle Parks and Recreation invites you to the second meeting for the community-initiated Highland Park Playground Improvement project.*

**TUESDAY, JANUARY 13, 2015**

**6:30 – 7:45 P.M.**

**HIGHLAND PARK ELEMENTARY SCHOOL
